The student understands the preparation and rehearsal commitments necessary for participation.

Teacher Verification

As required by CAPTA event rules, the teacher verifies that the student has studied piano with them since at least November of the current academic year.

Permission and Liability Release

The parent gives permission for the student to participate in CAPTA events held during the current academic year at various local venues. They understand that they are responsible for the student's supervision and transportation and will not hold the Cary-Apex Piano Teachers Association, its members, or the host establishment liable for any injuries or damages that may occur during participation.
